Student has earned 29 credits of general education from UMBC. However, since this student did not complete the general education package, a course-by-course evaluation must be completed to satisfy the UMD GenEd requirements. This student still needs the following courses to satisfy GenEd requirements:  
 1-FSAR, 1-FSOC, 1-FSPW, 2-DSSP, 2-SCIS, and 1-DVCC or DVUP

The lecture and associated lab should be included in the count of general education credits. For GenEd, there is no notation on the lab course.
