

GENERAL EDUCATION PROGRAM SUMMARY CHART FOR ADVISORS <i>Revised: August 22, 2023</i>		What is General Education? The University of Maryland offers a transformative general education program that will help students succeed in their careers and become engaged, global citizens. Students will <ul style="list-style-type: none"> Advance their reasoning, problem solving, speaking and writing skills, and begin to use them in all aspects of their lives. Discover new knowledge about the natural world, the past, and human thought and action, which will further their understanding of our universe and empower them to meet its challenges. 		
HIGHLIGHTS		• Implementation: Fall 2012		
COURSE REQUIREMENTS	DESCRIPTIONS	CATEGORIES	DETAILS	CREDITS FROM APPROVED COURSES
FUNDAMENTAL STUDIES 15 credits/5 courses	<i>Fundamental Studies courses ensure that students have the basic skills in written and oral communication and in mathematical analysis that are critical to their success across the curriculum and in their professional lives</i>	Academic Writing FSAW	• AP/IB exemptions are allowed.	3 credits
		Professional Writing FSPW		3 credits
		Oral Communication FSOC		3 credits
		Math FSMA	• AP/IB exemptions are allowed. • Courses that are designated as both FSMA and FSAR will satisfy both requirements.	3 credits
		Analytic Reasoning FSAR	• Courses that are designated as both FSMA and FSAR will satisfy both requirements.	3 credits
DISTRIBUTIVE STUDIES 25 credits/8 courses • 2 courses must be from each area. • 2 courses must be I-Series courses. • Only 6 courses can be from AP or IB credit. • While a course may be approved for more than one Distributive Studies category, a student may not use one course to meet more than one category requirement. The student may select the preferred category.	<i>Distributive Studies courses provide students with a breadth of knowledge and disciplinary diversity.</i>	Natural Sciences DSNS/DSNL	• At least one course must have lab component.	7 credits
		History and Social Sciences DSHS		6 credits
		Humanities DSHU		6 credits
		Scholarship in Practice DSPP	In Scholarship in Practice courses, students engage in authentic work of a particular field of study. They learn and practice skills of critical evaluation and participate in the process of applying knowledge in the pursuit of a tangible goal. • At least one course must be outside the major and all major requirements.	6 credits
I-SERIES 6 credits/2 courses • I-Series courses may also fulfill a Distributive Studies category.	<i>I-Series courses engage students in broad, analytical thinking about contemporary problems and the enduring issues of human existence.</i>	I-Series Courses SCIS	Imagine. Investigate. Innovate! • All students must complete two Distribute Studies courses that are approved in the I-series.	6 credits*
DIVERSITY 4-6 credits/2 courses • 2 Understanding Plural Societies courses or 1 Understanding Plural Societies course AND 1 Cultural Competence course are required. • Diversity courses may also fulfill a Distributive Studies category.	<i>Diversity courses promote self-understanding and understanding of others; sharpen students' awareness of the consequences, intended and unintended, of previous generations' decisions and, by doing so, alert them to the significance of their own choices.</i>	Understanding Plural Societies DVUP	Understanding Plural Societies courses examine how diverse cultural and ethnic groups co-exist.	3-6 credits*
		Cultural Competence DVCC	Cultural Competence courses help students develop skills to succeed in a diverse world.	0-3 credits*
TOTALS:				40-46 credits *indicates that units may be double counted
EXPERIENTIAL LEARNING (OPTIONAL)	<i>Experiential Learning offers students the opportunity to participate in independent studies fulfilled through internships, research, study abroad, or community-service learning.</i>	• Students may receive up to 3 credits toward a Distributive Studies category from an approved outside-the-classroom learning experience.		Up to 3 credits
